**Recommended for class:
Current copy of the NEC, Ugly's Electrical
Formulas, and Tom Henry's Keyword Index**

Current adopted NEC is the 2023 Edition, but until further notice, testing is done on the 2020 version.

***At times unforeseen events
force a schedule change.
Always check the website for
class changes not reflected on
the printed schedule.***

All of our classes are approved for both trainee (Basic Classroom) or Industry Related (for Journey Level Electricians). Classes entitled **NEC Code Update** also qualify for Code Update requirements of Journey Level Electricians. **RCW/WAC** classes are good for both Trainees and Journey Level. Journey Level Electricians will receive 4 hours of RCW/WAC and 4 hours Industry Related Credit.

All classes are \$130 Plus Tax/8hr CEU. Prepayment is required. Schedule is subject to changes. Please Register online.
